Coffee business a real delight

XPRESSO Delight takes the cafe experience straight into your workplace by providing a fully automated, commercial-grade coffee machine.

The company has been in operation for four years and has more than 60 franchisees.

Pictured are Paul and Stephen, who have taken up the opportunity to be their own bosses.

Xpresso Delight guarantees a minimum 40 per cent return on the capital investment within the first six months, says Victorian and Tasmanian agent Peter Dal Santo.

For further information on franchising, the Franchise Council of Australia has a full checklist of 62 points to consider.
